Step 5: Download the excel file

The screenshot displays the NESPRESSO Localisator Application interface. On the left, a vertical sidebar contains five steps: 'Tree Node', 'Field', 'Field Translation', 'Languages and Market', and 'Download Template'. The 'Download Template' step is highlighted with a black circle and a white checkmark. The main content area is titled 'Download Template' and includes a 'Download Template' label, a file selection input field with the placeholder text 'Choisir un fichier' and the message 'Aucun fichier choisi', and a 'Submit' button.

Select the excel file
